Pinnawala Elephant Orphanage Tour

Colombo - Pinnawala - return

Visit Pinnawala Elephant Orphanage for a focused day around elephants and the riverside setting. Private transport makes the journey straightforward, while the programme is planned around the arrangements available on your chosen date. This is a managed elephant facility; a national-park safari offers a different experience.

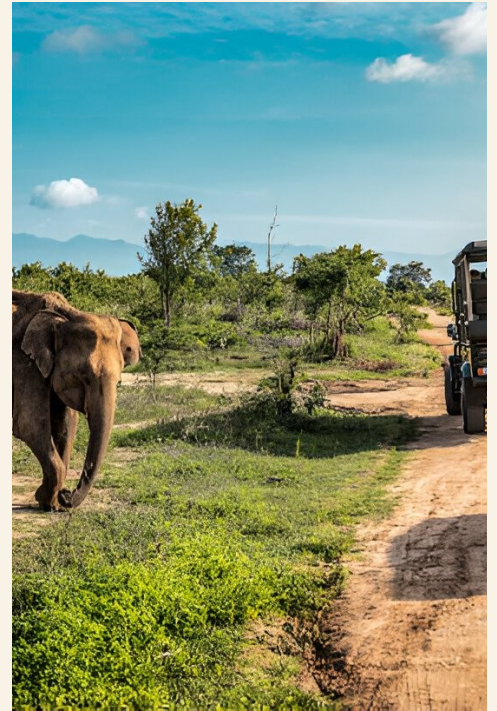

Highlights

Pinnawala Elephant Orphanage / Riverside setting / Private hotel pickup and return

Viewing opportunities and scheduled activities must be checked for your date. Entrance fees and any additional stops are confirmed before booking.

Make room for the wild.

Choose a wildlife experience that fits your wider journey. JK Travels can discuss transport, park selection and safari arrangements alongside your cultural, hill-country or coastal plans.

YALA & WILPATTU

Explore contrasting national-park landscapes associated with leopard viewing and a wide variety of other wildlife. Choose the park around your route and allow enough time for the journey as well as the safari.

UDAWALAWE

Consider an elephant-focused wildlife visit as part of a southern or hill-country route. A dedicated safari stop can add variety to a holiday without trying to fit too many distant regions into one day.

MINNERIYA & KAUDULLA

A safari near the Cultural Triangle can complement Sigiriya and Dambulla. Elephant movement and local conditions help determine the most suitable park on your date; the exact choice should be confirmed in advance.

YOUR SAFARI ARRANGEMENTS

Confirm transfers, jeep, park tickets and the planned safari duration in your quotation. Tell us if wildlife is your main interest so the itinerary gives it enough time. Sightings remain unpredictable.

ASK US: Which park works best with my dates, route and available time?

A hill-country journey to remember.

Add tea-covered landscapes, waterfalls and time outdoors to your holiday. A multi-day route often gives you more space to enjoy the hill country than a long-distance day trip.

TEA COUNTRY & NUWARA ELIYA

Explore selected estates or a tea factory, enjoy lakeside scenery and pause at waterfalls where the route allows. Your itinerary can focus on views and gentle experiences or include more active stops.

ADD A SCENIC TRAIN RIDE

We can discuss a rail section that works with your journey. Seat class, tickets, schedules and luggage arrangements need confirmation. Train travel is included only where expressly stated in the quotation.

ELLA HIGHLIGHTS

Bring together the Nine Arch Bridge, Ravana Falls and Little Adam's Peak according to your available time. Tell us which walks interest you and whether your group prefers a slower sightseeing pace.

CONNECT THE REGIONS

Combine the hills with Kandy, Sigiriya, a southern safari or a coastal stay. We will help plan the order and overnight locations to make the route practical for the time you have.

PLAN AROUND YOU: Scenic stops / Tea experiences / Walks / Train options

More days. More Sri Lanka.

These are starting points for a tailor-made itinerary. We adapt the pace, overnight stays and activities to your arrival plans, guest ages and preferred experiences.

04 DAYS

Cultural Triangle escape

Colombo - Kandy - Sigiriya - Colombo

Discover Kandy's heritage, Dambulla's cave temples and Sigiriya. A safari or quieter countryside experience can be discussed if time permits.

07 DAYS

Culture, hills & coast

Colombo - Sigiriya - Kandy - Ella - south coast

Combine ancient sites and tea country with Ella scenery and a coastal finish. Discuss the right balance of travel and rest for your group.

10+ DAYS

A fuller island journey

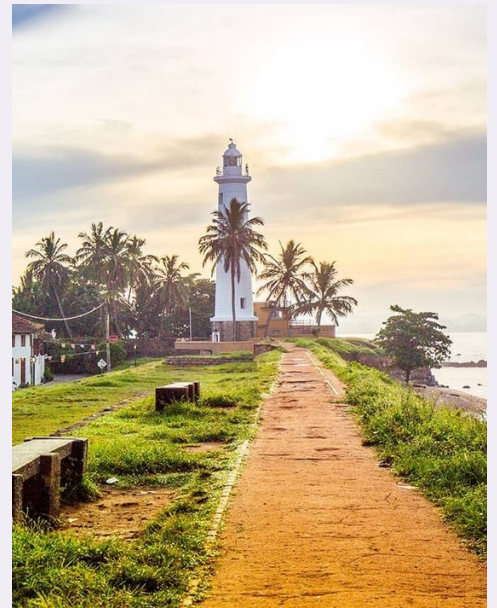

Culture - hill country - wildlife - coast

Add a national-park safari and more relaxed nights in the places you enjoy most. A scenic rail section can be planned where tickets and routing allow.

Illustrative routes only. Final nights, accommodation, inclusions and prices are supplied in your personalised quotation.

Different travellers. Personal journeys.

The right trip depends on who is travelling, what they enjoy and how they want to spend their days. Share your priorities so we can shape a route around them.

COUPLES & HONEYMOONERS

Combine scenic places with time together: tea country, a wildlife experience and relaxed coastal nights. Discuss the atmosphere you prefer and any special experiences you would like us to arrange.

CRUISE & SHORT-STAY VISITORS

Make the most of limited time with a practical private excursion. Share the ship's docking and departure details or your onward plans; the route must fit the agreed return arrangements.

FAMILIES & SMALL GROUPS

Plan a comfortable mix of sightseeing, outdoor time and rest. Share children's ages, room preferences and activity interests so travel days and walks are appropriate for the group.

PRIVATE TRANSPORT & PLANNING

Ask about a driver and vehicle for a day or a longer holiday. Confirm the route, guest and luggage numbers, pickup point and any additional services needed in your personalised quotation.

YOUR PRIORITIES: Comfort / Pace / Activities / Accommodation / Time together

Let's make the details clear.

01 / TELL US YOUR PLANS

Share your travel dates, adults, children and their ages, pickup hotel and preferred places. Mention walking preferences, train interests and any fixed arrival or departure arrangements.

02 / REVIEW YOUR QUOTATION

We confirm the route, private transport, optional stops, inclusions and price. For multi-day holidays, review overnight stays, accommodation arrangements and any tickets or activities.

03 / CONFIRM THE ARRANGEMENTS

Agree the booking and payment details with our team. Pickup times, return plans and any special requirements should be clear before your travel day.
